RE: Course #10-04 SPL

Dear Mr. Cooke,

Your real estate salesperson prelicensing education course entitled "60 Hour Montana Real Estate Principles" has been reviewed. It has been approved as meeting the 60 hours of real estate prelicensing education necessary for application for a Montana real estate salesperson's license. This approval is valid effective June 29, 2010 and will expire June 29, 2013.

You will be required to provide a certificate of completion and a student evaluation form to each prospective salesperson who completes the course.

Please note that because Cooke Real Estate School is an online course provider, you must keep your ARELLO certification current. Should ARELLO certification for this course be revoked, Cooke Real Estate School should immediately stop advertising and administering this course to Montana students.

If I can be of any assistance with your course please feel free to contact me at 406-841-2324 or [sfossum@mt.gov](mailto:sfossum@mt.gov).

Sincerely,

A handwritten signature in cursive script that reads "Stacy L. Fossum".
